

BERKAY KAŞKAVALCI

Mechanical Engineering Student

Phone: +90 (530) 366 39 26 | Email: berkaykaskavalci@gmail.com

City, Country: Izmir, Türkiye

PROFESSIONAL SUMMARY

Mechanical Engineering student at Yaşar University with hands-on experience in AutoCAD, Fusion 360 and MATLAB, and a solid foundation in mechanical design, manufacturing processes, thermodynamics, heat transfer, materials science and energy efficiency. Completed an internship at ZF Lemförder and has two years of client-facing experience as a Luxury Watch Specialist, with \$500K+ in total sales.

EDUCATION

Yaşar University - B.Sc. Mechanical Engineering

September 2022 - Present

- Applied AutoCAD, Fusion 360, MATLAB and Microsoft Office in coursework and engineering projects.
- Relevant coursework: Machine Design, Manufacturing Processes, Thermodynamics, Heat Transfer, Materials Science, Energy Efficiency.

Bilfen Science High School - High School Diploma

September 2018 - June 2022

- Graduated with a grade average of 90.

WORK EXPERIENCE

Luxury Watch Specialist

2024 - Present

- Generated \$500K+ in total sales.
- Source requested watches for clients within one week.

Mechanical Engineering Intern - ZF Lemförder, Izmir, Türkiye

August 2025 (1 month)

- Completed a one-month internship at an automotive supplier, gaining exposure to an industrial manufacturing environment.

TECHNICAL SKILLS

CAD and Design: AutoCAD, Fusion 360, Technical Drawing, Mechanical Design, Machine Design

Analysis and Programming: MATLAB, Python

Engineering Topics: Manufacturing Processes, Thermodynamics, Heat Transfer, Materials Science, Energy Efficiency

Project Management and Office: Microsoft Project, Project Management, Microsoft Office

SOFT SKILLS

Problem Solving, Teamwork, Communication, Attention to Detail

LANGUAGES

Turkish: Native

English: Fluent

German: A1 (Beginner)

CERTIFICATIONS

- Amateur Sailor Certificate
- Short Range Radio Operator Certificate
